CAM-RA

Date: 03-01-2020

Guide: Mr. Rony Tom

1. Project Overview?

Campus Recruitment is a program conducted within educational institutes or in a common place to provide jobs to students pursuing or in the stage of completing the program. Cam-Ra is a software which help in conducting such a recruitment drive.

The college has all the student data submitted in the system. When a Company informs their Recruitment Drive, the placement officer can notify the students those who are eligible for that particular drive.

The notified student has the permission to apply for the further recruitment processes.

Cam-RA is also helpful in filtering the students. Through this software only the eligible student gets notified. Based on the companies need, the placement officer can filter the students. It can list the students who got placed

2. To what extend the system is proposed for?

The website is for helping placement cell officer. The officer can create and send notification -about the drive- to the eligible students. The registered eligible students can view and register for the placement drive. This system can overcome all the problems faced by the existing system. Without the help of an Email the officer can send the notification and it will be sent only to the eligible students. The system will collect the student details so that the officer no need to collect the details every time. This system will save the effort and time of the placement officer.

3. Specify the Viewers/Public which is to be involved in the System?

   ❖ *Placement Officer*
   ❖ *Students*
   ❖ *Faculties*

4. List the Modules included in your System?

❖ Placement Officer

- View and edit users
- Create and send notifications
- Open Registration portal
- Search student details
- Fetch the required details of Students.
- List Placed students
- Remove placed student from further drive

❖ Student

- Register and login
- View and edit Profile
- View notifications
- Apply for drive
- Online Caution deposit payment
- Photo Gallery

5. Identify the users in your project?

❖ *Placement Officer*
❖ *Students*
❖ *Faculties*

6. Who owns the system?

❖ *Placement Officer*

7. System is related to which firm/industry/organization?

❖ *Education Institution*

8. Details of person that you have contacted for data collection?

    Mr. Rony Tom
    Placement Officer, Amal Jyothi College of Engineering.

9. Questionnaire to collect details about the project? (min 10 questions, include descriptive answers, attach additional docs (e.g. Bill receipts, certificate models), if any?)

    I. Will the support from Placement Cell gets over by the end of academic year?
        Ans. Registered candidate will get support and job notification from Placement Cell even after the completion of the course at least for a period of two year.

    II. How can you verify academic details of student?
        Ans. The student must upload his/her original certificate and the class teacher can verify the records.

    III. Do all the companies require the same details?
        Ans. No, the requirements may vary according to the company's policies.

    IV. Does the system allow an unregistered student to apply for drive?
        Ans. Only those students who registered gets the notification and no others can apply for the drive.

    V. Is it possible to apply for drive after the registration closed?
        Ans. It is not possible to apply after the registration is closed.

VI.   Whether the rounds be the same for all companies?

   Ans. No, the rounds may vary to different companies or the company's requirement.

VII.   Whether a student can apply for multiple drive?

   Ans. It is possible to apply for multiple drives but the student got placed can't apply for other recruitment. Their names will be removed from that list. Also, if two drives happening at the same date then they can apply for only one.

VIII.   What is the prerequisite if a registered student is not attending the recruitment?

   Ans. A nominal amount is collected as a caution deposit from the student while register in Placement Cell. So, if any candidate registered for recruitment drive and do not attend the same without any valid reason will be charged with a penalty and will be deducted from caution deposit.

IX.   How this caution deposit is collected or refunded?

   Ans. Currently it is collected as manually. Also, they need to sign a set of rules of placement cell.

X.   Whether you need to submit report to higher authorities?

   Ans. Yes, in every year we want to make a report to update the status of the recruitments, how many students got placed out of, the number of companies came and all.
